CAMP WHITE MEADOW BEHAVIOR POLICY

Camp White Meadow (CMW) is designed to allow campers an opportunity to have an enjoyable and safe summer. On the first day of camp, we will discuss the behavior policy, review the behavior contract, learn about the leadership-training program and provide an opportunity for the campers to meet the staff members who will be working with them.

Camper is defined as a person who is at camp based on a tuition paid basis, including, but not limited to counselor-in-training. Staff member is defined as, but not limited to, an adult who is employed by CWM and/or the White Meadow Lake Country Club and/or POA for the purpose of camp or any other employment, and/or an invited guest to the camp.

- All campers must be completely toilet trained prior to the first day of camp. Parents should discuss with their children the importance of using the restroom prior to going into the pool. This will help eliminate the pool being closed due to fecal and other bacteria.
- If your child is sick, please keep your child home until they have been fever free for 24 hours, haven't vomited or had diarrhea for 24 hours.
- No camper or staff member shall engage or encourage another camper or staff member to act in a behavior which could endanger the health, safety or well-being of any camper and/or staff member, including him or herself.
- No camper or staff member shall engage in or encourage others to engage in the use of profanity.
- No camper or staff member shall engage in or encourage other campers or staff members to engage in verbal or physical threats of abuse aimed at any camper or staff member or any other attendee.
- No camper or staff member shall initiate or encourage other campers or staff members to initiate a fight or scuffle with any other camper or staff member.
- All campers and staff members shall treat and encourage every camper and staff member to treat each other with respect and courtesy regardless of race, creed, color, national origin, sex, or ability.
- All campers and staff members will be respectful of CWM property and will not cause deliberate damage. Parents of children under the age of 18, or the person him/herself if over the age of 18, will pay for damage to any property.
- Campers, staff members and/or parents will immediately notify the Camp Director or the White Meadow Lake General Manager of any problems, issues or unsafe situations.
- CWM is not responsible for lost or stolen property.
- If a camper has been expelled from CWM or has voluntarily withdrawn from camp, the camper is not allowed to return to CWM until the following summer. If a camper is expelled from CWM two summers in a row, the camper will not be allowed to return to CWM in any future years.
- It is understood that if a camper is expelled from CWM or has voluntarily withdrawn, no refunds will be given.
- The above list is for general guidance. Each situation will be handled in a manner that is best for CWM, the campers and staff members.
- CWM reserves the right to dismiss any camper whose continued presence at camp, in its sole discretion, is not in the camp's best interest.

Trip Days: Grades Pre-K – 6th

- All trips will have a designated spot where a counselor will be at all times.
- All campers must remain in their groups at all times. If the camper does not abide by this, the camper will sit out the remainder of the trip with a counselor.
- If a camper is considered a behavior problem, either in camp or on a trip, a future trip or trips may be taken away as a penalty by either the Supervisors or the Camp Director. We will not permit any camper to go on trips if they have demonstrated that they cannot follow directions, are a safety hazard to themselves or others, or haven't followed camp policies.
- Camp T-shirt must be worn on all trips. This allows for campers to be easily identified and is necessary for safety. There will be no exceptions. If the camper does not have their shirt, they will not go on the trip.

Teen Travel Trip Days:

- All trips will have a designated spot where a counselor will be at all times. The camper will be required to check-in at the designated spot. All campers are required to wear a watch and keep track of time. At check-in the camper reports to their assigned counselor with their group. Any camper that is late to check-in will be required to remain with the counselor that sits at the check-in spot and will not be permitted to participate in the rest of the trip.
 - All campers must remain in groups of at least 4 people at all times. If the camper does not abide by this, the camper will sit out with a counselor for the remainder of the trip.
 - If a camper is considered a behavior problem, either in camp or on a trip, a future trip or trips may be taken away as a penalty by either the Travel Supervisors or the Camp Director. We will not permit any camper to go on trips if they have demonstrated that they cannot follow directions, are a safety hazard to themselves or others, or haven't followed camp policies.
 - Camp T-shirt must be worn on all trips. This allows for campers to be easily identified and is necessary for safety. There will be no exceptions. If you do not have your shirt, you will not go on the trip.
-
- I have reviewed the above Behavior Policy with my camper and the importance of abiding by same. My child and I agree that he or she is familiar with the Behavior Policy and will obey it.
 - By signing the registration application, I represent to CWM that my child is in sound physical and mental health and fully able to participate in all camp activities without need of specialized attention and that the health and behavior of the camper will not impact negatively on other campers, staff members, or the program.

THIS MEDICAL RECORD must be returned no later than **June 12th, 2010. A Late Fee of \$10.00 will be assessed if received after June 12th, 2010.**

No camper/ counselor will be allowed to attend camp without a MEDICAL RECORD on file.
