

# Camp White Meadow

Issue # 8  
August 19, 2011

## From The Director's Chair:

Hello again everybody! As you are all aware, today is the last day of camp, which is always one of the saddest days of the year for all of us.

The last 8 weeks have been filled to the brim with sports, swimming, singing, arts & crafts, boating and hiking, but it is time for us to all say our goodbyes for the next 10 months. Our summer season finished with a 5-day Color Games competition, which was ultimately won by the "White Castle" team. Congratulations are in order for everyone who participated. It was a great competition between both teams, and many memories were made.

I owe many people thanks: our staff that put in more hard work than many of you ever see, our campers that come to camp every day with a smile on and ready to have fun, and finally our parents who keep on bringing their vibrant children back summer after summer. This summer has been amazing, and it wouldn't have been so successful had it not been for all of you. Thank you again.

Enjoy the school year, study hard, and I hope to see you all again in June 2012!

Until next time,  
-Paige Bank

## Boating & Nature:

Week 8 is here already. The Ninjas had a great time on Wednesday afternoon. After five days of Color Games the Ninjas were back in the boats again. Hi-5/6 and Monkeys Jumping on the Bed are scheduled for a Thursday afternoon trip to Beach 3.

On the trails, the Super Starfish are really excited about their upcoming Thursday morning water hike. The river walk will be over at Hedden Park. It has been a

great summer at the Meadow. Till next year,  
~Bruce

## From the Water:

The final week of camp swam by! Color Games let the campers compete in some friendly competition. Even though white came out on top, red put up quite a fight. This last week the kids will get a chance to show off all they have learned throughout the

summer! This season has been filled with fun and laughter and I'm excited to see what next summer will bring!

~Aly and Carly

## And All That Jazz:

Wow! I cannot believe that camp is over! This has been a very exciting summer. I am so glad that I got to meet all your wonderful kids. To close this eventful summer, we had our annual talent show! Everyone who performed did an excellent job and I hope they enjoyed themselves. I can't wait for next summer! Have a great school year everyone!  
~Scott

## Sports, Sports, Sports:

Wow! Week 8 has come and gone already. Where did the time go? This week was a wet one. The campers competed all the way to the end of Color Games, even in the rain. The campers all had an opportunity to participate in a wide variety of activities at the clubhouse and the A-field. This summer was a fun-filled summer that came and went very quickly. I look forward to next summer. Best of luck to all the campers during the school year!  
~Joe

## Band-aids, Bumps, and Bruises:

Wow, week 8 came fast! Camp was a total success this

year, especially as far as safety. We made it through the whole summer without any serious injuries – just a few bumps and bruises. Sunscreen and lots of water didn't hurt either! I'm glad we had a happy and safe summer, and I hope for another one next year.  
~Courtney

### Monkeys Jumping on the Bed! (Pre-K/K):

Eight weeks has gone by faster than we can imagine. We can't believe the summer has finally come to an end. It has been a great eight weeks with the Monkeys Jumping on the Bed! We had a blast on our trips to Turtleback Zoo and Diamond Gymnastics, as well as on our hikes with Bruce, which are new to Pre-K/K. We jumped all over the place! We all had a great summer getting to know one another and can't wait to see everyone at the meadow again next summer!

Until then,  
Liz, Lauren, Jamie, Gina, Sara and Sarah

### Super Starfish (1st/2nd):

The last week? Already? This summer went so fast, now it is time for hugs and "catch you later" moments.

Now that Color Games are over and that Memory Day is done, let's take a look back at the past eight weeks. Some of our coolest moments at the

Meadow were Aloha to Hawaii Day, Carnival Day, White Meadow Downs Day, and Color Games.

This summer we not only played sports, but we also exercised our minds with the trivia game, we used our vocal chords with SING, and we used our creativity to make the tie-dye t-shirts.

As our alma mater states,

“Laughing and playing in the sun.” It is so true that “counselors and buddies are all on one team, makes the summer pass like a dream. Rain or shine we all agree, White Meadow’s the place to be!”

We wish you and your families a safe and wonderful year. Thank you for sharing your children with us. Looking forward to seeing everyone next year.

Keep smiling,  
~Barb, Erica, Austin, Brian, MJ, Joe, Mike, Jacki, Rachel D., Rachel S., Marisa, and Aly

### Ninjas (3rd & 4th):

I can't believe it's here: the last day of camp; aka the worst

day of the year. The Ninjas had a great summer, though, and we're starting another school year with many fond memories. From the first time learning BBK to playing flag football for the first time, the 3rd and 4th graders have seen and done it all. And what a wonderful group we had this year! Not only do I want to thank all my campers for this amazing summer, but my counselors as well. If not for them, the success of this past summer would not have been possible. I look forward to seeing the 3rd graders in my group again next year. We will miss all our wonderful 4th graders, who have spent the past two years with us, but we'll be sure to see them around camp next summer! Lastly, thank you to the

parents, firstly, for having such great kids, and secondly, for your cooperation and communication throughout the summer. I hope everyone has a wonderful school year and we'll be sure to see each other again at Camp White Meadow in 2012!

To the rest of Summer,  
Rachel, Ryan, Connor, Bobby, Sam, John, Barry, Alex, Rachel and Lindsay

### Hi-5/6 (5th & 6th):

Time sure flies when you're having fun! Eight incredible weeks have come and gone, and the last day of camp has arrived. Memory Day was both a sad and joyour

occasion as we watched the slideshow that was put together by our very own Jess Kirsch. We ended Color Games on a great note, coming back together as one Hi-5/6 family! "I can show you the world, shining, shimmering campers!" On Wednesday, we celebrated Disney Day for the first time ever in camp history! On Thursday night, we put on our dancing shoes and fist pumped out way through the camp dance! We all had a wonderful summer, and we cannot wait until next year!

~Chris, Jess, Joey, Jason, Josh, Tessie, and Tyler

**Teenage Mutant Ninja Travelers (Teen Travel):**

Our final week of camp came so quickly this year, but we made it a great one. Despite the weather, Monday and Tuesday remained exciting and competitive as Color Games came to a close. Monday included a trip to the bowling alley, which the counselors loved, especially since Pizza Hut was there. Tuesday was the last day of Color Games, which meant the SING competition and Apache Relay. By the end of the day the white team was crowned champion, but both teams did a great job.

Mid-week the group went on our last trip to the NJ Jackals game. It was a beautiful day and a great game to watch! The Jackals won 2-0 and sent everyone home happy. Thursday night the

campers partied at the clubhouse during the famous camp dance, which was a great way to close out the year. We had an amazing time this year and from all the counselors, myself, and the directors, we thank our Teen Travel campers for another successful year.

~Billy, Nicole, Ryan, Jason, Keith, Danielle, and Scott
